

I feel five years younger than my age. I wish that I had been born five years earlier than I was so that now I would feel ten years younger than my age.

The guy who invented the tire puncture should have designed it to leak air into instead of out of.

When whittling a tree branch to roast a wiener be sure to make it longer than the wiener.

If noses run what do feet do?

Put the foot back into football. Outlaw the fore arm blow but permit kicking.

I have given up any thought of becoming a singing star.

Is the naked truth obscene?

Before stepping on a pile of dead leaves be sure that they do not cover the opening of a ground hog hole.

If you put bread out for the birds be sure to remove the wrapper.

If Howard Cosell would untalk more I could learn to unhate him.

Do special prosecutors prosecute specials?

Professional tennis is a racquet.

As I grow older, deceivers find it more difficult to de my ceive.

I wish that I had developed my bad habits at an earlier age so I could have had more time to rid myself of them.

If eyes water what do you-know-whats do?

Fortunately, we have the government to blame for our shortcomings.

Schuyler Colfax does not seem to be catching on.

Read one book and you will not notice much difference in yourself. Read two or three bookds and you might notice a little change in yourself. Read many books and you will notice a big change in yourself. Try it.
